

Dear parent or guardian,

March 16, 2015

There will be a field trip for Physics students to attend Physics Day at Great Adventure on Friday, **April 24, 2015** in Jackson, N.J. The bus will leave at 8:30 AM and will return students to TZHS at approximately 6:30 P.M. During this trip students will physically experience the acceleration and the forces acting on them during the rides, allowing them to understand and apply the Physics they learn in a way that is fun and interesting.

The field trip is optional and is paid for totally by the students participating. Admission to the park and the purchase of kits to build instruments will be **\$31.02** (check payable to Tappan Zee H.S. - no cash please) plus an additional transportation fee to be announced in a few weeks. We will not know the cost of the bus until we know the number of students going, but that will be an additional \$35-\$45 (which we will ask for in early April). Please return the signed permission slip below by Friday, **March 27th**.

Sincerely,

M. Francesco

B. Adler

J. Keelty (Physics Teachers, TZHS)

-----  
*Please tear off and return with check for **\$31.02** payable to "Tappan Zee H.S."*
